

VIGNETO DELLA RIVA DI SAN FLORIANO

VALDOBBIADENE PROSECCO SUPERIORE DOCG

VARIETY AND GRAPES 100% Glera (traditionally called Prosecco) exclusively from the San Floriano vineyard.

VINIFICATION TECHNIQUE Sparkling wine obtained by second fermentation in "cuve close".

TYPE Brut.

COLOUR Pale, straw-coloured, bright

FLAVOUR Very fruity (pear, apple, banana) and flowery (wisteria).

TASTE The perfumes, highly pronounced at the nose, become even more intense in the mouth. The taste shows a very long persistence which, added to good acidity, gives the wine elegance and structure.

MATCHING Very good as an aperitif, it is very well coupled with white meat and fish main courses and both pasta and risotti.

SERVING TEMPERATURE 8° - 10° degrees

Nino Franco Spumanti
